PRAYER GUIDE

MAPS GLOBAL

50

HOURS

SEVEN NATIONS, ONE SONG

Amidst all the war, conflict, poverty, and suffering across the earth, there is one great crisis that eclipses all the others: **3.4 billion people alive today have no chance to ever hear the Gospel of the kingdom.** They are unreached. The vast majority of unreached people live in an area called the 10/40 Window which includes the Middle East, North and East Africa, Central Asia, the Arab Gulf, and East Asia. 96% of individuals that are considered unreached are in the 10/40 Window.

Each Spring, we send teams to seven unreached regions where MAPS Global has or is planting long-term bases in the 10/40 Window to host 50 Hours of worship and prayer in concert together. **When you pray with us,** you are adding your voice with indigenous believers and missions organizations across this region **raising a symphony of worship to Jesus.** As we lift our voices together, we believe that God will pour out His Spirit as we “declare His glory among the nations” (Psalm 96:2-3).

We hope this prayer guide gives you confidence, inspiration and direction as you intercede with us for these seven regions and the entire 10/40 Window.

Thank you for adding your voice!

A MAPS GLOBAL IMPACT STORY

RELIGHTING THE TORCH

In January of 2023, **a glowing torch died out** as day and night prayer ground to a halt in the spiritually dark region of North Africa. A small house of prayer had been lifting up intercession and worship to the one true God nonstop for seven years. But the team that kept the torch burning had suddenly disbanded.

Although it was dark, **hope was not lost**. For five ministers left behind, the fire still glowed in their hearts. Two local North African pastors, and three missionaries who had lived in North Africa for almost a decade, carried a burden for the country. They were like seeds planted deep in furrowed soil that needed watering. These leaders had not led a house of prayer before, and they weren't sure how to start. A year and a half later, in 2024, a team of eight leaders from MAPS Global traveled to the country to host prayer and worship for 50 hours and relight the torch.

“Our prayer was, ‘Lord, **reestablish the lampstand of day and night prayer and worship** in this key nation,’” said R.A. Martinez, President of MAPS Global. “It was a very powerful time, but on the very last hour of the 50 Hours, an unusual **spirit of prayer** touched our team and there were tears, groaning and travail across this little upper room.” Afterward, Martinez met with some of the leaders who had carried that burning in their hearts. The leaders shared that they knew it was the Word of the Lord spoken to them to pick up the torch of day and night worship, but they didn't know how to do it.

Within four months, the **MAPS Global School sent a team** of students to North Africa in the Fall of 2024. The local missionaries attended the prayer room while it was open, and the seeds planted in their hearts to carry the torch were watered. While the students were there, the local leaders asked Martinez when MAPS would come to permanently reopen the prayer room. Martinez said, “It's you! Don't wait for us. God has given you this assignment. We will serve what God is doing through you.” Taking the torch, all five gathered together and dedicated themselves **to keep the house of prayer going in North Africa**. And the Lord provided. They were given a room for free to worship and pray in every day.

Today, that **torch of worship and prayer is burning brightly** in North Africa as the leaders faithfully carry it. Not only that, but MAPS has already sent a second 90-day student team and is preparing to send a long-term team of missionaries. North Africa is joining many other prayer rooms across the 10/40 window to cry out for the growth and flourishing of God's Word in the earth!

a song from the
ARAB GULF

THE ARAB GULF

Opening population unreached:

87.7 Million Unreached - Muslim, Hindu, Buddhist Majority

Testimony:

“For 4 months, a North Indian Hindu man named “Sunil” was attending one of our house churches and encountering the Word. He began receiving backlash from roommates and stopped attending. We kept praying for him and sharing the love of Jesus. He began seeing miracles in his life including his wife being instantly healed over the phone. He decided to be baptized and is now following Jesus. Even though he is illiterate, he remembers each Bible story, sharing it with others. Sunil invites many to house church & is known in his camp for prayer & healing.”

Scripture Reading:

Isaiah 60

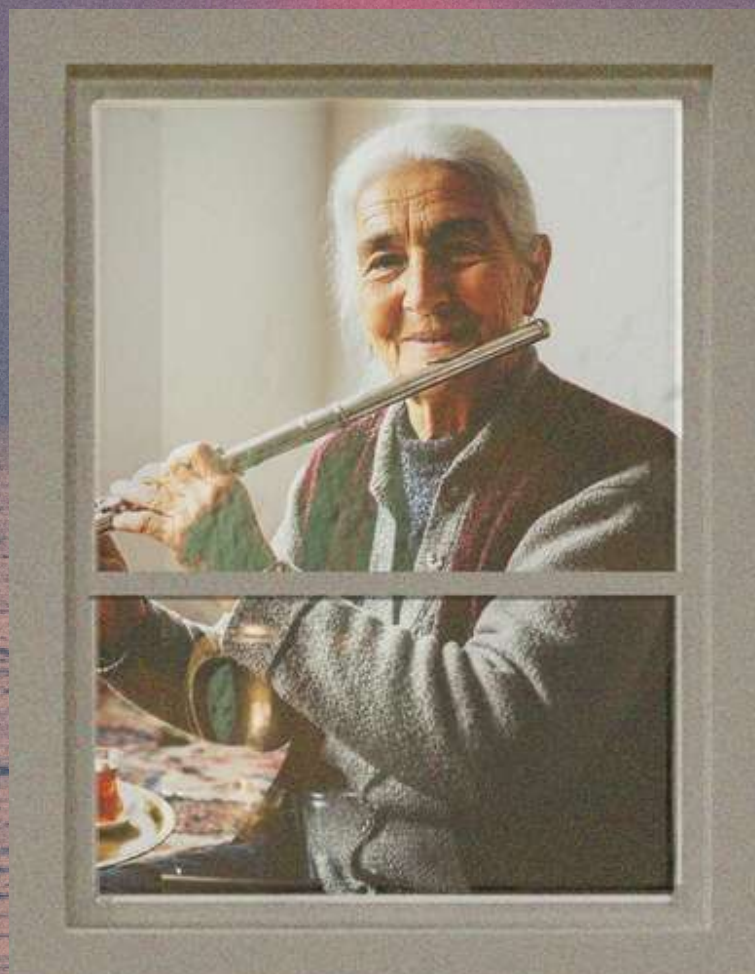

Prayer Points:

- Pray for locals to come to know God. There are only 30 indigenous believers in this nation.
- Pray for the underground Body of Christ. They are so persecuted and so few and so disconnected without leadership.
- Pray for our city to become a training ground for many laborers. Pray that it becomes a city of training and sending and a revolving door with many coming and going to reach the unreached nations of the 10/40 window!

Guided Prayer

Lord, we pray that the Word of the Lord would run swiftly and be glorified. We pray that the Lord would continue to prepare people of peace from every Gulf nation.

a song from
EURASIA

EURASIA

Opening population unreached:

82 Million Unreached - Muslim Majority

Testimony:

"The local pastor at the Eurasia Missions Base has been dissecting the Nicene Creed. He recently talked about the identity of Christ as stated in the Nicene Creed, and asked if anyone wanted to give their life to the Lord. A 19-year-old came forward and was emphatic that he wanted to be saved. He made his statement of faith! The pastor continued asking if there was anyone else in the room that wanted to give their life to Christ, and three more people came forward. One was another new believer and the other two individuals were re-commitments. This was a beautiful time!"

Scripture Reading:

Matthew 9:37-38

Prayer Points:

- Please pray for laborers to be sent out.
- Please pray for indigenous believers to be trained (and sent).
- Please pray for the church in Eurasia to grow in love and maturity.

Guided Prayer

Lord of the harvest, we pray that you send forth laborers to Eurasia. The harvest is ripe, but the laborers are few. Jesus, send many to come into the harvest fields here to preach, pray and sing of the worth of Jesus - that many would be saved, and revival would come to the land!

a song from
EAST AFRICA

EAST AFRICA

Opening population unreached:

12.5 Million Unreached People - Muslim Majority

Testimony:

"After multiple failed attempts to secure a facility for prayer and worship, the East Africa team unexpectedly secured a building in a Biblical city - a place they had prayed for for more than 11 years! The vision for the building is to have it as a dedicated day-and-night worship space with a capacity of 80 in the prayer room. The building will also serve as a base for training and sending indigenous Arab missionaries across the 10/40 Window!"

Scripture Reading:

Isaiah 19:19, 2 Corinthians 4:4, Micah 4:6-10, Isaiah 40:4

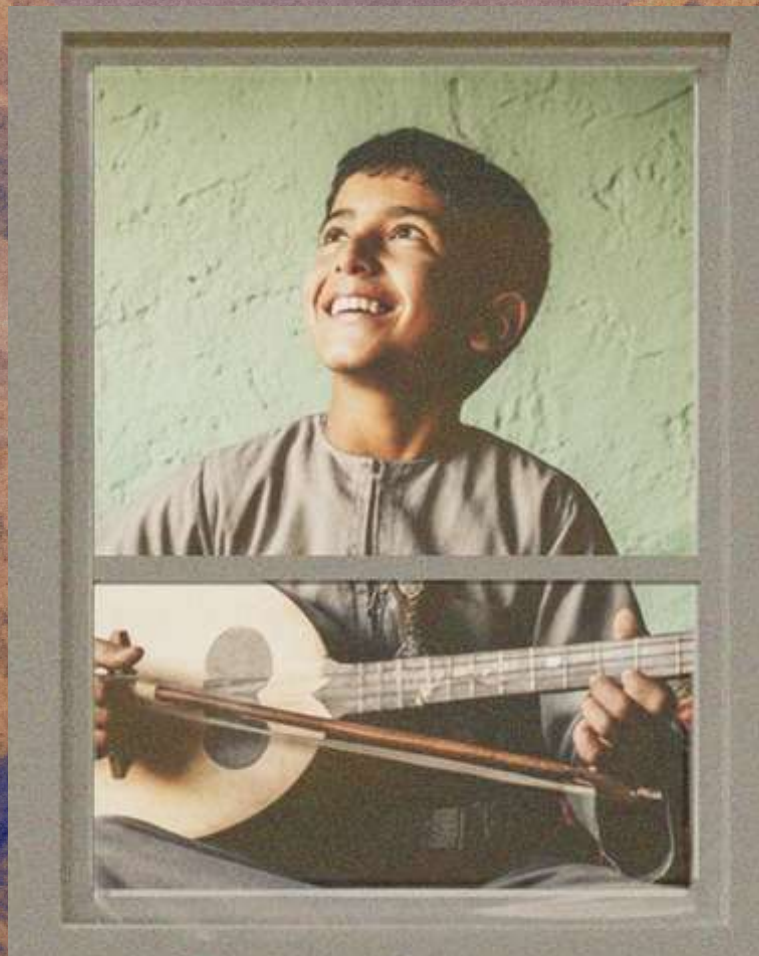

Prayer Points:

- Pray for the spirit of Islam to break off of the East Africans, and for truth to reign.
- Pray for the church to rise up and take its place as priests for the kingdom. Pray for them to bring forth life to the nation. Pray for East Africa to become a sending nation of missionaries that go and preach the gospel to the unreached nations.
- Pray for a revival in the ancient coptic church of East Africa.

Guided Prayer

Lord, we pray for the Church in East Africa to rise up and take it's place as priests for the Kingdom to bring forth life to the nation. We pray for the voice of heaven in the nation, that this nation would be a sending nation of missionaries that go and preach the Gospel to the unreached nations.

a song from the
MIDDLE EAST

THE MIDDLE EAST

Opening population unreached:

10.5 Million Unreached - Muslim Majority

Testimony:

"I was preaching out of Psalm 22, and God was touching so many people in the room. [A team member] said 'I feel like we are meant to do an altar call. I feel like there are people in this room that haven't accepted Jesus yet.' So I handed her the mic, and she did an altar call. I was so proud of her. Normally, we don't have unbelievers in the room during an Encounter Night.

We preached the Gospel. There actually ended up being a family [from a neighboring country] that was in attendance. The father was an ex-Imam [a Muslim religious leader]. The father and mother have been practicing faith in Jesus. The father brought his whole family - his wife and 11 kids. What we didn't know was that half of his family were unbelievers, and that is what [the team member] was hearing from the Lord. We got to share the Gospel with them! We have been following up with them since then."

Scripture Reading:

Isaiah 42:11

Prayer Points:

- Pray for unity. For the Church in this land to be of one mind, one body, and one accord.
- Pray for spiritual fathers and mothers to take their place in this land to disciple and mature the body of believers who are longing to grow in the knowledge and love of Christ.
- Pray for the lost to be found, the blind to see, and the hungry to be filled in this land. Pray for the many who are devoted to reading the Quran and praying five times a day to be encountered by the Living God!

Guided Prayer

Father, thank You for the extravagant love you have for the people in this nation. We pray that Your love would draw the church to operate as one body on one mission together to reach their lost neighbors with a bold witness of the gospel. We ask that You would mature the believers in the Middle East to grow in the depth and knowledge of God and expand the Kingdom as their love for You expands more and more.

a song from the
HIMALAYAS

THE HIMALAYAS

Opening population unreached:

9.7 Million Unreached - Hindu, Buddhist Majority

Testimony:

"The most impactful thing for me was seeing God move in a whole other nation just like he does in our local churches in the U.S. He is the Lord of all nations! Some of the things I saw the Lord do: He brought the rain and cleared the smog, revealing the majesty of His creation. [The air quality had become the worst in the world in the place we were in, so we were actively praying for the smog to be cleared]. He also healed a woman's ankle and brought peace to a teenager that came in off the street. I had such a blessed time. I would have stayed longer." - From a short term Missionary to the Himalayas during 50 Hours 2025

Scripture Reading:

Micah 4:1-2, Isaiah 42:8-9

Prayer Points:

- Pray for the prophesied missions movement from the Himalayas to start now!
- Pray for discipleship in the local church in the Himalayas, and for a greater depth of discipleship so Hindu Background Believers would turn away from the gods of Hinduism.
- Pray for Gen Z indigenous believers to rise up and grow in wisdom and leadership!
- Pray for supernatural boldness to preach the gospel with confidence.
- Pray for Matthew 9 laborers to be sent to the Himalayas, specifically to the south of the country.

Guided Prayer

Lord, we pray and acknowledge that your Son is worthy of an unending song from the Himalayas. Would you pour out your Spirit in the highest place on earth and fill your church with your glory, fervent gospel proclamation and priestly ministry. Would you establish the mountain of your house as the highest of all mountains eclipsing the false house of Hinduism and Buddhism and would there be a cry from the highest place on earth, "who is like the LORD among the gods?"

a song from the
LEVANT

THE LEVANT

Opening population unreached:

1.1 Million Unreached - Muslim Majority

Testimony:

"The Levant Mission Base's first-ever ministry training program for indigenous believers started on Monday, February 16th, 2026. The program is training 13 locals to pray, preach, and sing! This is a big step for the spread of the Gospel during this time in the Levant."

Scripture Reading:

Isaiah 29: 17-19, Song of Solomon 8:5, Isaiah 60:13

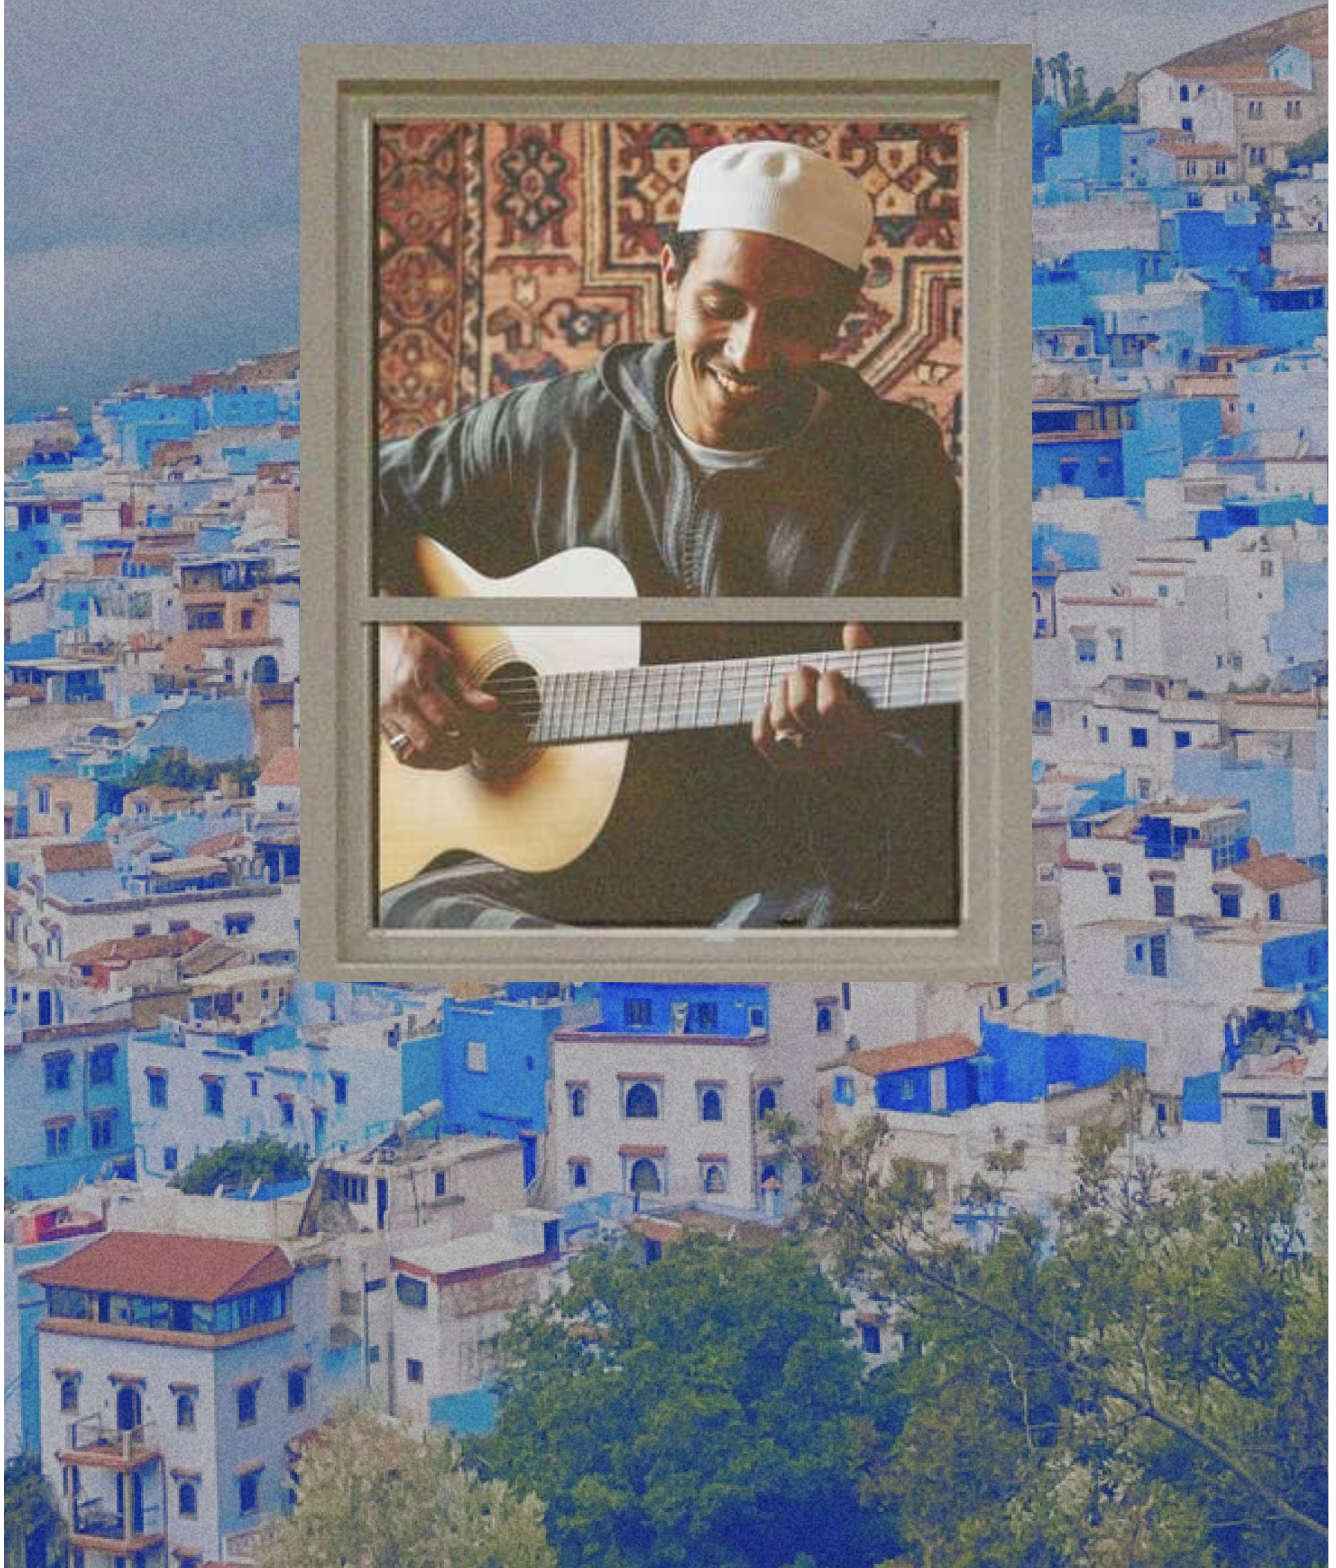

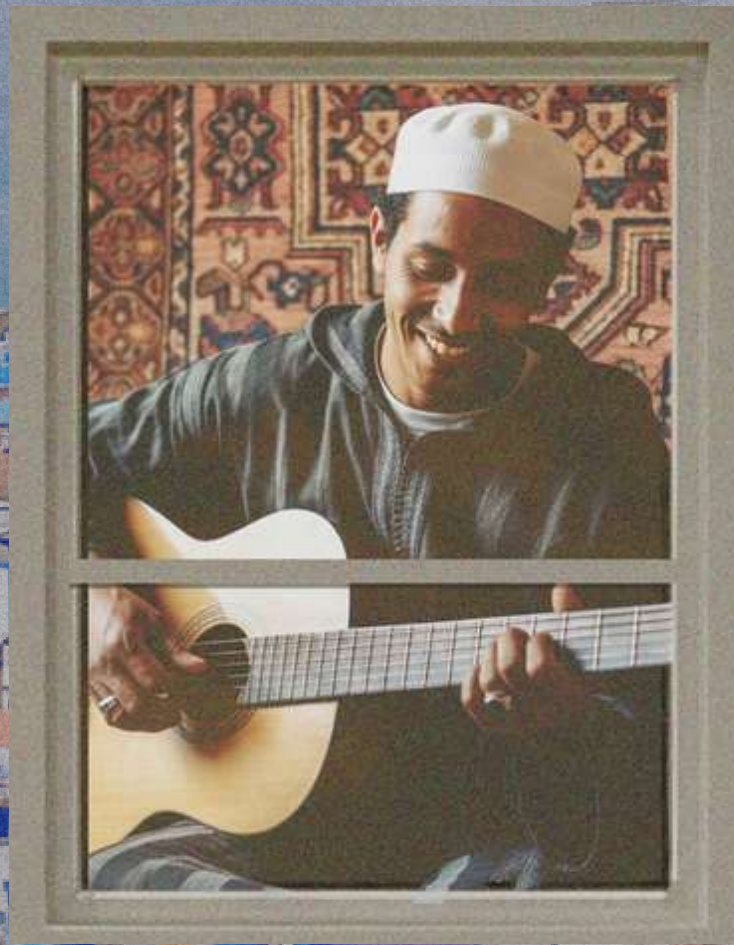

Prayer Points:

- Pray for the church of the Levant to be strengthened in this hour of war and crisis across the region.
- Pray for boldness in Gospel proclamation.
- Pray for a window of mercy for the nation to come into the knowledge of Jesus.

Guided Prayer

Lord, we pray in agreement with your love and relentless pursuit of the lost in the Levant. You will have a pure and spotless bride out of the Levant who will have no spot or wrinkle of idolatry. You are not finished with her until she is made a fruitful and flourishing field. Turn lost souls into lovers of You. May the beauty of the Levant be restored, that she will have a pure offering for You. Like in the days of David, adorn your house with a beautiful offering from your Bride in the Levant.

a song from
NORTH AFRICA

NORTH AFRICA

Opening population unreached:

38 Million Unreached - Muslim Majority

Testimony:

"I was at the food court and the cashier who served me spoke perfect English (rare in this city). He told me his name, and I asked if he knows the meaning (a common thing here). He shared that his name means "son of religion" and that he was a devout Muslim. Then he asked me if I follow any religion, so I was able to share my testimony. He began asking me questions about Jesus, and as we were talking I felt like the Lord told me that he has chronic lower back pain. After a few minutes I asked if he had pain in his lower back. He paused for a second and then said, "yes I do." I asked if I could pray for him, and he immediately said yes. Once I finished praying he asked, "how did you know that?" So for an hour, I got to sit with him and go through the Bible telling him about Jesus and answering his questions! Now we are praying that this young man would know Jesus and move from being a "son of religion" to a son of the Most High God."

Scripture Reading:

Isaiah 19, Matthew 6

Prayer Points:

- Pray for supernatural unity among the believers in the region.
- Pray for bold proclamation and powerful demonstration of the Gospel through signs and wonders.
- Pray that Jesus would be worshipped as the One True King who dwells with His people.

Guided Prayer

Father, we ask that your Kingdom would come to North Africa, that you would multiply the works of the church and that many would come to the saving knowledge of Jesus Christ. May this gateway region open a door for the Gospel for the whole region of North Africa.
